WebLords New Empire Screen

Tooltips and User Notes

This displays your Hero's portrait and name.

Tooltip: News. This window expands when news and game play notices relevant to the player are published.

Tooltip: Sites List. This opens the Sites List window.

Tooltip: Quests. This opens the persistent Quest window.

Tooltip: Buy Units. This opens the Buy Units window.

The Power bar displays, in order, your deployed power, your owned power, and any power left unallocated in your max capacity. Tooltips: Deployed Power, Owned (Unallocated) Power, Power Available to Capacity.

Tooltip: Inventory & Statistics. This opens the new Hero window.

The Resources widget displays your current power for each resource in relation to total capacity for that resource, as well as how many units of that resource you receive an hour. Tooltips: Gold Capacity, Gold Per Hour, Crystal Capacity, Crystal Per Hour, Iron Capacity, Iron Per Hour, Wood Capacity, Wood Per Hour.

Tooltips appear in this space as users mouse over the icons. Tooltips appear in the corresponding space above every icon bar.

Tooltip: Chat. This opens the Chat window.

Tooltip: Preferences. This opens the Preferences window.

Tooltip: Newspaper. This opens the new, marketing-oriented Newspaper.

Tooltip: Store. This opens the new Store window.

These are your owned sites.

Tooltip: Messages. This opens the Messages window.

Tooltip: Friends. This opens the Friends window.

Tooltip: Alliance. This opens the Alliance window.
