AQUATICA

Orlando's newest water park

Some graphic treatment here

Introducing Aquatica, opening in Spring 2008—
a whimsical, one-of-a-kind water park that's
only in Orlando and could only come from
SeaWorld.

Where one river floats you through an undersea
world of colourful fish and another races you
into rolling rapids. Slides that spin and soak
you, and the incredible signature ride—two
fantastic tube slides that send you speeding
through a lively lagoon filled with playful
Commerson's dolphins.
